

BIG ROUND WHEEL

Amusement Ride Branding Specialists

Gondola Ferris Wheel Branding Catalog

All prices listed include installation and all materials required. In some cases, additional rental time may be required to attach branding.

Custom Metal Sign

Cut to any shape. 10-12ft long with lights.

Starting at \$12,650

Lighting Change

A variety of colors and patterns of LED lights. The ultimate way to show your brand colors.

\$3,200 to change Wheel lights to custom colors

Pie Shaped Segments

The largest brandable surface on the ferris wheel, giving the ultimate branding look and best value per square foot.

5 Segments are attached on the ferris wheel. Segments or “Petals” combined with creativity are a very popular form of branding on the ferris wheel. 26”x 126”x 104”

\$1,750 for each segment.

Center Axle Digital Screen

84in circular digital sign is mounted to the center on the wheel and programmed with your video, message, logo, or special design.

\$2,000

Seat Covers

These are highly visible to riders and give a strong presence of Identity.

\$3,500 for 10 seats with 2 sides each

Star Burst Wraps

2 starsburst located on each end of the ferris wheel, custom wrap for the center of each.

\$249 each

Front Trailer

Front Top: This is the fence that surrounds the Main Platform \$2,900

Front Bottom: This is the trailer portion \$3,600

Back Trailer

This is the back of the Ferris Wheel. If you have the wheel in the center of your event, this is a great addition. This can be broken into 2 pieces or printed as one large piece.

Top Fence Portion:\$2,900

Bottom Trailer Portion:\$1,800
